December 2008

New for R6V07

Specifying The Invoice Printer In a Billing Run

Users will be able to specify the printer that invoices will print from in a billing run and whether non-invoice documents should print in PDF format. Previously, invoices went to the default printer for the billing run.

The screenshot shows a 'Parts Billing Run' form with the following fields: Location: 01, Billing Run Date: 12/22/2008, Printer: JW, Invoice Printer: JW, and a checked 'or PDF' checkbox.

Specifying The Check Printer In an A/P Check Run

Users will be able to specify the printer that checks will print from in an A/P check run and whether non-check documents should print in PDF format. Previously, checks went to the default printer for the check run.

The screenshot shows a 'Check Run (TEST - 1020101)' form with the following fields: Run Date: 12/22/2008, Check Date: 12/23/2008, Print New Outstanding Register: checked, Printer: JW, Check Printer: JW, and a checked 'or PDF' checkbox.

Assign a Default Group Code To a Base Code

Users can assign a group code to a base code in Base Profile maintenance. The group code in Equipment Profile will default to the base code's group code when adding a unit with that base code in Equipment Profile.

The screenshot shows a 'Base Profile - 6001R' form with the following fields: Base Number: 6001R, Make: JD, Model: 850, Group: TR, Price: 12060.07, Cost: 0.00, Select Class: M, Active for Equipment: checked, and Description: 850 TRACTOR.

TOGETHER
WE WIN!

Register Now!

PFW Systems Corporation will be holding our biennial PFW Dealership Management Conference from March 25th to March 28th, 2009, in Vancouver, British Columbia, Canada – Host City of the 2010 Olympic Winter Games. Simply visit the Register page at www.pfw.com/conference and fill out the online form to register.

You can also download a printable PDF registration form from the conference website if you'd prefer to fax it to the attention of "Conference Registration" at (519) 474-3661. If you have any questions, please contact Jenna Morton at (519) 474-3300 ext. 270 or jmorton@pfw.com.

*Season's Greetings
and Happy New Year.*

All the best in 2009!

For more information on these software features or to order R6V07, contact PFW Client Services at (519) 474-3700, or e-mail support@pfw.com.
