Wish you were here? With PFW IntelliDealer, you could be.

Managing a dealership isn't easy. Although it can feel like a 24/7/365 commitment, PFW's IntelliDealer Dealership Management System can free you to enjoy life away from work – without ever having to feel disconnected from the data you rely on. Since PFW IntelliDealer is a browser-based solution, you can access all your favorite features – including our innovative, customizable single-screen Sales Support Portal, Customer Portal and Management Central Dashboard – from virtually anywhere in the world. Whether you are at home, on the road or taking a well-deserved breather, you can get the whole picture with PFW IntelliDealer.

To learn more about how PFW IntelliDealer can help you better serve your customers and efficiently manage your dealership, visit www.pfw.com or call us at 519.474.3300 ext. 230.
