All-in-One PFW Laser Package

Laser Printer + Hardware Support + Printer Supplies

Add a new laser printer to the right amount of printer supplies delivered directly to your dealership, to expert hardware support available when and how you need it, and you've got a great combination that works for every dealership investing in laser printing solutions.

PFW's Laser Printer Package is a complete, all-in-one solution designed specifically to help you manage everything print-related—while providing you with the cost savings, increased efficiencies, and convenience that your busy dealership needs.

Laser Printer

- Business-grade and certified for use with your PFW IntelliDealer applications.
- To help you manage your dealership's cash flow, you have the option to either lease your printer or buy it outright.

Hardware Support

- Hardware support for your printer is provided by certified ADP technicians.
- Multiple options for hardware support include on-site support, phone support, ADP Knowledge Base access and articles, and e-mail support.

Printer Supplies

- Printer supplies, including paper and toner, are all provided by ADP, and to help you reduce your re-ordering time and stocking expense, everything can be automatically re-ordered as you need it.

All-in-One PFW Laser Package

A complete laser printing solution that delivers high-quality printed documents.

Flexible solutions for hardware support are available when you need it so you can always remain focused on your work and not on your printers.

Just-in-time, automatic ordering of consumables keeps your supplies cabinet lean and eliminates overstocking.

As a *one-stop* solution, printers, support and consumables are all delivered directly to you from one business partner – ADP!

*Based on ~5% page coverage. Individual results will vary based on printed documents.

Why Switch to Laser Printing?

Laser printers generate high-quality printed documents, are clean and quiet to run, and because you eliminate forms alignment issues when you replace your dot matrix printer with a laser printer, you can do away with the hassles—and expense—of reprinting your pre-printed forms. Laser printers also offer increased page-per-minute (PPM) output and page duplexing, and you've got the option to add multiple trays for different types of paper (colored paper, letterhead, etc.).
